- ❖ Greg Hayes made the motion to go back into regular meeting and Donna Smith Fee made the second. Allen in favor.
- ❖ While Allen had the board present he went over the land schedule the board approved at February 8th meeting. After conducting more analysis, it was discovered that in some cases the large tract price per acre was high than the small tract price per acre. Therefore, a 10% reduction had to be applied to the large tract schedules along with a 5 increase to the small tract schedules. This brought both schedules more in line with each other with a more even progression of price per acres. The board unanimously approved the large and small tract schedule change with the motion being made by Greg Hayes and the second by Donna Smith Fee.
- ❖ After no further business, the Board unanimously adjourned the meeting with the motion made by Greg Hayes and the second was made Donna Smith Fee.
